Reminder that this is for staff and service vehicles - **No drop off and pick ups please.**

## Wigram Primary Uniform

Warm uniform items are available at the school Office. We currently have plenty of polarfleece jackets, and rain jackets. Only black items can be worn under the school uniform.

## Our Big Headache With Uniform - You Can Help

We have a growing amount of wonderful near new Wigram Primary uniform that we cannot return to the owner - because it does not have a name in it. Please help out by making sure all school uniform is named. The school office does have a marker pen available for naming uniform.

## Paid Union Meeting Tuesday 26 June

Teachers are about to undergo a wage round with the Government. There was a paid union meeting earlier in the year and we managed to avoid sending children home early by attending a range of meetings at different times/days. This time however, there is only one option for attendance, and our staff will be attending the Christchurch meeting at Horncastle Arena. We apologise to families, and hope this does not cause too much inconvenience. **Children will be sent home at 12:30pm on Tuesday 26 June. Please make sure you are here made arrangements for them on this afternoon.**

## Wigram Primary School Build

Great to see the walls and roof panels going on. You can really see the shape of the buildings now.

## Winter Sport 2018

Notices regarding this have been sent home for year 5 & 6 students. There is a cost of \$30 to cover the buses. Please pay this to the school office.

## Headlice

Parents are asked to regularly check their child's head for these unsavoury little critters. Untreated headlice create a problem for other children as they do spread easily from one head to another. Any child with continual untreated headlice will have to stay away from school until they are treated. Children can not treat themselves for this, and need an adult to check their head, and treat when necessary. We do have a natural treatment product and nit combs at school if any parent would like some for treating their child/ren. These are free and are supplied by the KidCan Trust. Please come into the school office to collect.

## **Safety at the School Gate**

I have received a complaint about a school parent dropping of a child at the Garvins Road entrance of the school. Cars must abide by the road rules when dropping off, and picking up, children outside a school. The NZ Police will be monitoring our exit/entry areas for safety. No parking on yellow lines, no parking over driveways, no U turns, always park to allow children to exit the car on the footpath side of the road, and never to park/pull in facing towards oncoming traffic. Inappropriate behaviour will receive a fine.

Most of our parents/families do an amazing job getting children to school safely, and caring about other children and road users. Thank you.

The sun did not shine. It was too wet to play.  
So we sat in the house. All that cold, cold,
